Risk information

Risk information

Investing in funds is associated with risk and a fund's historical return is no guarantee of future returns. The value of the fund units can both increase and decrease and it is not certain that you get back the entire capital invested. No account is taken of inflation. Please note that Norron AB only acts as the portfolio manager of the funds and that we do not offer any investment advice. The information in this presentation should therefore not be seen as investment recommendations to investors, or as an offer or invitation to buy, or sell, fund units. You should always discuss any investment with a professional investment advisor as well as review the product sheets, KIID and prospectus before completing a purchase, which can be found in Swedish and English on www.norron.com.
